Pat,

Attached are the draft permit documents for the above permitting action. The permit application can be accessed via the imaging system:

9/17/20 – 20180062013

Please let me know if you need anything else for this action. Thanks, Pat!

Subject: Dutton-Lainson Public Notice (18R1-30) 125

The operating permit for Dutton-Lainson will be public noticed Wednesday January 29, 2020 in the Hastings Tribune. A copy of the public notice is attached for your records.

Please note that we are only sending the public notice electronic document and no longer sending hard copies. The draft permit documents have been sent for public record filing and will be available soon for viewing through the public record search portal (Public Records Search) on the NDEE's website (<http://deq.ne.gov>). If you would like to request public record documents in a word format, please contact the NDEQ Records Management Section at 402-471-3557. Thank you.

Thank you.
